Price Guide March 2007

From <http://www.popdice.com>

Shipping from retail outlets will vary the following is just a guideline:

Shipping on 1 or more figures combined:

USPS Media Mail up to 5lbs. (5 - 10 days) + \$3.60

USPS Priority Mail up to 4lbs. (3 - 5 days) + \$6.45

UPS Ground + \$7.30

UPS 3 Day + \$13.50

Check your options and reference the above sheets with more accurate shipping costs for you. This is then your Total Retail Cost vs. Total Auction Cost.

Auctions do combine shipping from the same person. And Auction - Low vs. Retail Low is currently very close. Unless you are purchasing multiple figures.

Generally purchasing multiple figures will lower the overall cost to you through low shipping costs.

Sets of 55 to 65 different figures and all 23 dice are going for about \$100 to \$150 on eBay. Complete sets with Both Hulk and Thing Launchers are being offered for over \$200

Prices have not altered much since March 2006. Added Stealth Wolverine, dozens have come up on eBay more are sure to come. (Stealth Wolverine - 15,000 packaged with Game Trader Magazine #75 retail \$1.99)

Prices have not altered much since March 2006. Tournament figures Silver Surfer with 2 mail in coupons for Red Skull and She Hulk did come up on eBay. The winning bidder paid \$51.01 including shipping.

Several Sitting Loki's have come up the highest price was \$55.99 (Typically \$40 for all previous sales)

Clear Invisible Woman Figures have been seen about 3 times \$74.99 was it's top dollar Buy it Now price.

As of March 23 2007 2 auctions for the Missing Silver Surfer, Red Skull and She Hulk. Both auctions sold the 3 figures combined for approximately \$200
